Mark, Doug Jameson, Steve Wharton and I just agreed to meet to review how things are going and revise as necessary to move forward. We know the project will need money, but they haven't drawn down as fast this past year. I would prefer to keep the money until EPA and CDPHE have agreed upon needs and priorities.

I am planning to include both Cinna and Sharon in this meeting, which I will be scheduling soon. I hope we will be meeting sometime over the next few weeks, schedules depending. Please let me know if you have questions.
